POLICY
on stakeholders identification and interaction with them

Moscow
2020

1. GENERAL TERMS

1.1. This policy has been developed for implementation at the Moscow State University of Food Production (hereinafter - MSUFP, the University).

1.2. The University has developed a set of measures aimed at identifying and engaging with stakeholders.

2. SET OF MEASURES

2.1. The University singles out two groups of major stakeholders whose interests and requirements affect the University functioning and development.

2.2. The University takes appropriate steps to identify and interact with stakeholders:

2.2.1. publishes information for cooperation on the University's website;

2.2.2. conducts regular open days;

2.2.3. invites experts to give lectures, workshops, refresher courses and education intensive courses;

2.2.4. Carries out public events, exhibitions, fairs for MSUFP students and guests.

2.3. The University identifies the following stakeholder groups:

2.3.1. the State regulating the University activities and mainly orders the specialist training through the budgetary targets distribution;

2.3.2. regional executive and local authorities;

2.3.3. employers (large industrial enterprises, small and medium-sized enterprises, social institutions) interested in obtaining competent specialists;

2.3.4. schoolchildren, students and their parents who are in the process of selecting an educational institution;

2.3.5. Various voluntary organizations and associations not directly linked to the education system (political parties, ethnic and other social groups, creative unions, scientific institutions, etc.) interested in partnerships;

2.3.6. students at various levels of education (bachelor's, master's, postgraduate and doctoral) and their parents;

2.3.7. the University graduates;

2.3.8. scientific and pedagogical workers, educational support and administrative and managerial personnel.

2.4. Key areas of engagement with stakeholders identified by the University are as follows:

2.4.1. educational activities;

2.4.2. upholding the country's national interests;

2.4.3. regional innovation systems;

2.4.4. research activities.

2.4.5. international activities;

2.4.6. promotion of the Russian education;

2.4.7. food industry development.
